Click it, and u will receive money equal to the cost of the spell! Repeat until you have the amount of money that you want. Then put a comma after it like fatty fat fatty. How to get nan gold?: ----- Go on to the sword master and click on short sword then click inventory and click buy do this 3 times. Click on the item you can buy, memorize the ID then click on Inventory. Need to level up?: ----- Submitted by: Ahmad Al Sayer When you beat an arena champion, before you press the tick to go to the next chapter, close the game and then open it again. Click on "Load Gladiator" and you will have leveled up. This can help u with any game u want: ----- Submitted by: Ahmad Al Sayer If u want to be in what ever level u want gold or even skill points, then go to a website called www.arcadeprehacks.com. Easy levels: ----- Defeat an arena champion. click on load gladiator then you will be leveled up. When u play it, u choose if u want to be what ever level u want to be or how much gold u want or how many wins o loses or skill points u want when u click the + on the far right side of the game. if it says right next to the buy button YOUR GOLD: NaN, then you have infinite money. The infinite money will work at any shop. Click on it and it will give you some money. WARNING!!! if you have any spells in ur inventory it WILL sell them, and might often give you 400 gold, so sell all spells before trying. But, if you challenge someone or SOMETIMES when you put your armor on its back to normal, so you have to repeat it. Swords and Sandals III - Solo Ultratus Cheat Codes: ----- Submitted by: RM At the beginning to enter name say your name eg: bobby or fatty fat fatty. Infinite money: ----- The glitch is when you enter the mace shop whenever you have money to buy at least the lowest item. Once you see the "Buy" sign pop up, click inventory. You can do this as many times as you want just as long as you can kill the arena champion. Tons of money: ----- Submitted by: Me Go to the Little Fat Kid shop, then click on the most expensive spell that u have the money to buy. If it doesn't, you can either try a different website or keep on trying. Go back to the EXACT same item and repeat the steps. Find where it says keywords or title then type in the name of the game. The "Buy" Sign should still be there. Before you advancing to the next chapter, exit the game then open it again. When the page loads, click on the game.
